Brand Activators – Product Based

Description

We're looking for experienced Product Activators to promote a product to the Nigerian market, beginning with Lagos. Pay is generous and requirement, minimal.

Product Activators must be current residents of Lagos, as the promotion will be done all over the state, for now.

Responsibilities

- Onboard new users to the Free Plan of the App
- Guide new users to the preferred Activation Points
- Spread the news about the product
- Answer all questions people may have.

Qualifications

- Four years of experience in a related field (field marketing or sales)
- Relevant experience selling Digital App Products
- Basic Knowledge of Google Docs / Microsoft Office Suite
- Confident public speaker
- Polite, mature appearance and proactive, goal-oriented self starter.

Job Benefits

- Performance Pay for Free Registrations (easy for most people).
- Performance Pay for Activations
- Generous Bonuses and a Chance to proceed to the top tier.
